VICTORIA PLANNING PROVISIONS

Notice of Approval of Amendment
Amendment VC261

The Minister for Planning has approved Amendment VC261 to the Victoria Planning Provisions (VPP) and all planning schemes in Victoria.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment changes the VPP and all planning schemes in Victoria by expanding the operation of the existing Development Facilitation Program (DFP) planning provisions that fast-track the assessment of significant economic development by enabling applications for renewable energy facilities and associated utility installation to be assessed.

A copy of the Amendment can be inspected, free of charge, at the Department of Transport and Planning website at www.planning.vic.gov.au/public-inspection or by contacting 1800 789 386 to arrange a time to view the Amendment and permit documentation.
