Victorian Standing Offer Tariffs – Gas

Pursuant to sections 42 and 46 of the **Gas Industry Act 2001**, Momentum Energy Pty Ltd ABN 42 100 569 159 (Momentum) advises the following Victorian Gas Standing Offer Tariffs for residential and small business customers become effective 1 August 2024, and will remain in place until such time that the tariffs are varied. The weighted average tariff variation for affected residential and small business gas customers is an increase of 9.2%. The variation is due to changes in the costs associated with retailing gas to homes and businesses, including retail, wholesale, network and environmental costs.
