Occupational Health and Safety Act 2004

NOTICE OF ORDER APPROVING THE METAL CASTING COMPLIANCE CODE

I, Ben Carroll, Minister for WorkSafe and the TAC, as Minister administering the **Occupational Health and Safety Act 2004** (the Act), give notice of the following:

Under section 7(1)(b)(ii) of the Act, it is within the functions of the Victorian WorkCover Authority (VWA) to recommend that I propose the making of compliance codes. Compliance codes provide practical guidance to persons who have duties or obligations under the Act or the Occupational Health and Safety regulations 2017. Under section 149(1) of the Act, I may make an order approving a compliance code.

The VWA has recommended the making of the Metal casting compliance code. In accordance with section 7(3) of the Act, before making a recommendation concerning a proposed compliance code, the VWA must have issued the proposed compliance code for public review and comment. I am satisfied that the proposed compliance code was issued for public review and comment.

Section 149(5) of the Act requires that, as soon as practicable after making an order approving a compliance code, I must ensure that notice of the making of the order is published in the Government Gazette and a newspaper circulating generally throughout the State. Section 38M of the **Interpretation of Legislation Act 1984** enables this publication to be made on an approved alternative publication internet site instead of a print newspaper. This notice will be available online at publicnotices.vic.gov.au

Notice is hereby given that I have made an order approving the Metal casting compliance code.

This order comes into operation on the day on which this notice is published in the Government Gazette.

Copies of the Metal casting compliance code and each document applied, adopted or incorporated by the Metal casting compliance code will be available for inspection by members of the public, without charge, at the head office of the Victorian WorkCover Authority at 1 Malop Street, Geelong, during normal business hours. The Metal casting compliance code will be available online at worksafe.vic.gov.au
