**MAROONDAH PLANNING SCHEME**

Notice of the Preparation of an  
 Amendment to a Planning Scheme  
 Amendment C155maro

**Overview**

The Amendment proposes to implement recommendations from the 2024 Maroondah Planning Scheme Review by introducing new or revised local content into the Municipal Planning Strategy, Planning Policy Framework, schedules to zones, overlays, particular provisions, general provision and operational provisions in the Maroondah Planning Scheme. It also makes various zone and overlay mapping changes.

For further details, refer to the explanatory report about the Amendment.

**Details of the Amendment**

The Maroondah City Council has prepared Amendment C155maro to the Maroondah Planning Scheme.

The land affected by the Amendment is all land within the City of Maroondah.

Mapping changes apply to 54 individual sites and parts of roads, and to four precincts. Zone and Overlay schedule changes are proposed to apply to all land included in the:

- Public Park and Recreation Zone;
- Activity Centre Zone Schedule 1;
- Vegetation Protection Overlay Schedule 1;
- Significant Landscape Overlay Schedules 1, 2, 3 and 4;
- Design and Development Overlay Schedules 1, 2, 6, 7, 8 and 9;
- Development Plan Overlay Schedules 2, 3, 4, 5 and 6;
- Development Contributions Plan Overlay Schedules 1, 2 and 3.

The Amendment proposes to update the Municipal Planning Strategy Planning Policy Framework, planning scheme maps and local provisions in the Maroondah Planning Scheme to implement the Review.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, at: the Department of Transport and Planning website, [www.planning.vic.gov.au/public-inspection](http://www.planning.vic.gov.au/public-inspection) or by contacting 1800 789 386

to arrange a time to view the Amendment documentation; the City of Maroondah website at [www.yoursay.maroondah.vic.gov.au](http://www.yoursay.maroondah.vic.gov.au); during office hours, at the office of the planning authority, Maroondah City Council, Realm, 179 Maroondah Highway, Ringwood; or during office hours, at the Maroondah City Council Croydon Customer Service Centre, Croydon Library, Civic Square, Croydon.

Any person may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes, if any, the submitter wishes to make.

Name and contact details of submitters are required for the planning authority to consider submissions and to notify such persons of the opportunity to attend planning authority meetings and any public hearing held to consider submissions.

The closing date for submissions is 10 May 2026. A submission must be sent to: Andrew Fuaux, Director City Growth and Precincts, Submission to Amendment C155maro, Maroondah City Council, PO Box 156, Ringwood, Victoria 3134.

Alternatively, you may email [maroondah@maroondah.vic.gov.au](mailto:maroondah@maroondah.vic.gov.au), with 'Submission to Amendment C155maro' in the subject line or make a submission via Council's YourSay Maroondah website.

The planning authority must make a copy of every submission available at its office and/or on its website for any person to inspect, free of charge, until the end of the two months after the Amendment comes into operation or lapses.

## Planning and Environment Act 1987 SURF COAST PLANNING SCHEME

### Notice of the Preparation of an Amendment to a Planning Scheme Amendment C150surf

#### Overview

Amendment C150surf proposes to delete the Heritage Overlay (HO150) from 23 residential properties (see property addresses below) and the Council Reserve (16A Smith Street) in Winchelsea, as they do not have any heritage significance and the HO incorrectly applies.

The Amendment does this by making a mapping correction and amending the Schedule to Clause 43.01 (Heritage Overlay).

For further details, refer to the explanatory report about the Amendment.

#### Details of the Amendment

The Surf Coast Shire Council planning authority has prepared Amendment C150surf to the Surf Coast Planning Scheme.

The land affected by the Amendment:

Street Name	Street No.
Main Street	65A
Warner Street	15, 15A, 17, 18, 19, 20, 21, 22, 23, 24 and 25
Lawrence Court	2, 3, 4, 5 and 6
Smith Street	12, 13, 15, 16A, 17, 19 and 21

The Amendment proposes to amend Planning Scheme Map No. 8HO to remove HO150 from the identified properties above as they do not have any heritage significance. It also amends the Schedule to Clause 43.01 (Heritage Overlay) to correct the heritage place listing for HO150 to change the street address. Heritage Overlay (HO150) will continue to apply to 65 Main Street, Winchelsea (Lot 2) which contains the heritage building Balgownie.

The proposed correction will improve the operation of the planning scheme by removing the unnecessary requirement for planning permits for dwellings, and buildings and works.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge: on the Department of Transport and Planning website, [www.planning.vic.gov.au/public-inspection](http://www.planning.vic.gov.au/public-inspection); by contacting 1800 789 386 to arrange a time to view the Amendment documentation; the Surf Coast Shire website at [www.yoursay.surfcoast.vic.gov.au/C150surf](http://www.yoursay.surfcoast.vic.gov.au/C150surf); on request, during office hours, at the office of the planning authority, 1 Merrijig Drive, Torquay; or by contacting 03 5261 0600 to arrange a time to view the Amendment documentation.

Any person may make a submission to the planning authority about the Amendment. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes, if any, the submitter wishes to make.

Name and contact details of submitters are required for the planning authority to consider submissions and to notify such persons of the opportunity to attend planning authority meetings.

This Amendment has been deemed to be a low impact Amendment by the Minister under section 16N of the **Planning and Environment Act 1987**, therefore sections 23 and sections 24 to 27 of the Act do not apply to the Amendment. The effect of this means that Council, acting as the planning authority, can adopt the Amendment and submit it to the Minister for Planning for approval without the need to refer unresolved submissions to a panel.

The closing date for submissions is 5.00 pm Monday 11 May 2026. A submission must be sent to: Coordinator Strategic Planning, Surf Coast Shire, PO Box 350, Torquay 3228; or submitted online via [www.yoursay.surfcoast.vic.gov.au/C150surf](http://www.yoursay.surfcoast.vic.gov.au/C150surf)

The planning authority must make a copy of every submission available at its office and/or on its website for any person to inspect, free of charge, until the end of the two months after the Amendment comes into operation or lapses.

**Building Act 1993**

Section 14A(2)

**Building Regulations 2018***Regulation 245(3)*

## CERTIFICATE OF ACCREDITATION

**Name of product:** Dintel Structural Walling System

**Product description:** The Dintel Structural Walling System is a permanent formwork constructed from an engineered Polyvinyl Chloride (PVC) polymer and consists of a 2.6 mm external/internal polymer 'face' and a 2.6 mm polymer internal webbing.

**Description of the purpose and use of the building product:** The Dintel Structural Walling System is used as a loadbearing reinforced concrete wall system that utilises the pre-fabricated and modular permanent formwork described above.

**Regulation/s in relation to which the building product is accredited:**

The Building Regulations Advisory Committee appointed under Division 4 of Part 12 of the **Building Act 1993** has examined the application and accredited the product as complying with – Performance Requirement C1P2 of the National Construction Code series, Volume One, Building Code of Australia (BCA) 2022, including Amendment 1 and Amendment 2, for use where a non-combustible external wall is required in Class 2 to 9 buildings of Type A or Type B construction subject to the following conditions:

**Conditions to which the accreditation is subject:**

1. This accreditation does not apply to any other provisions of the National Construction Code series and only accredits the limited and conditional uses of the product to the performance requirement C1P2 of the NCC 2022.
2. The Dintel PVC concrete wall system must be designed by an engineer registered in the category and class of civil engineer in accordance with Volume One of the National Construction Code as published from time to time.

**Note:** Use of this product may impact existing and/or proposed fire-based performance solutions. Its appropriateness must be assessed holistically within the context of each specific project.

**Details of any variation of the accreditation:**

- Accreditation renewed for a three year period.
- Reaccreditation granted for a period of three years from the date the existing accreditation was set to expire.
- Certificate number adjusted to include this amendment.
- Condition 3 removed and replaced with Note.
- Accreditation assessed against NCC 2022 and references updated.

**The name, address and Australian business number of the holder of the accreditation:**

Dincel Structural Walling, 101 Quarry Road, Erskine Park, New South Wales 2759,

**Building Act 1993**

Section 14A(2)

**Building Regulations 2018**

Regulation 245(3)

**CERTIFICATE OF ACCREDITATION**

**Name of product:** ShapeShell™-RT Panels

**Product description:** ShapeShell™-RT Panels is a composite moulded glass fibre reinforced thermoset cladding product manufactured from a combination of glass fibre fabric, thermosetting polyester resin and proprietary fire-retardant chemical resins.

**Description of the purpose and use of the building product:** ShapeShell™-RT Panels are used as a cavity cladding system (rainscreen) supported on a steel frame connected to a non-combustible building fabric having an FRL of not less than -/60/60.

**Regulation/s in relation to which the building product is accredited:**

The Building Regulations Advisory Committee appointed under Division 4 of Part 12 of the **Building Act 1993** has examined the application and accredited the product as complying with; Performance Requirement C1P2 of the National Construction Code (NCC) 2022, Volume One, Building Code of Australia (BCA) for use where a non-combustible external wall is required in Class 2 to 9 buildings of Type A or Type B construction subject to the following conditions:

**Conditions to which the accreditation is subject:**

1. This accreditation does not apply to any other provisions of the National Construction Code series and only accredits the limited and conditional uses of the product to the performance requirement C1P2.
2. Each project design is subject to the following conditions:
  - (a) The thickness of the panels must be not less than 6 mm.
  - (b) The panels are to be mounted on an underlying non-combustible (or material allowed by BCA clause C2D10) fire-resistant external wall behind having an FRL of not less than -/60/60.
  - (c) The connections between all ShapeShell™-RT Panel components and the supporting structure must be designed by an appropriately qualified professional engineer in the area of structural engineering with an endorsement to work in the building industry in Victoria.

- (d) The panels are to be supported using steel supporting members in a manner consistent with that used for the tested prototype (refer to the ‘ShapeShell™-RT Panels when used as a rainscreen only, Appraisal Report, Revision 7, dated 23 May 2023’) and in this configuration the horizontal members can be considered to act as cavity barriers. If cavity barriers (refer to the ‘ShapeShell™-RT Panels when used as a rainscreen only, Appraisal Report, Revision 7, dated 23 May 2023’) cannot be provided, then non-combustible horizontal cavity barriers must be provided at each floor level consisting of a solid element having an FRL of -/60/- (eg steel, or supported mineral wool) across the width of the void.
- If there also needs to be a construction gap (for differential movement, thermal/acoustic break purposes etc.), then an intumescent material achieving an FRL of -/60/- can be used.
- In all cases, the cavity barrier must be continuous for the perimeter of the facade where ShapeShell™-RT Panels are to be installed.
- (e) The materials within the cavity between the fire-resistant wall behind and the rainscreen are to be non-combustible (as defined or allowed in the BCA clause C2D10).
- (f) The interfaces between the rainscreen panels and the edges of the fire-resistant wall (eg at window openings) are to be detailed as for the relevant fire test (refer to the ‘ShapeShell™-RT Panels when used as a rainscreen only, Appraisal Report, Revision 7, dated 23 May 2023’) or in a manner to give an equivalent outcome.
- (g) ShapeShell™-RT Panels may be rendered with a non-combustible cement render provided that exits and hydrant, booster assemblies and the like located below such rendered panels are provided with protection against such falling debris (i.e. a canopy, veranda, portico, or the like extending not less than 1m out from the edge of the building).
- (h) The requirements of BCA C1V3 (c) [enhanced sprinkler protection for Type A construction] or C1V3 (d) [Type B construction limitations and enhancements] must also be satisfied.
- (i) The panel performance is limited to BB20 (i.e. located at least 3 m from adjoining property boundaries, or at least 6 m from another building on the same allotment) unless confirmed by a large scale BB test or assessed by first principles fire safety engineering as part of a site-specific performance solution.

3. Each project installation must be designed and installed by ShapeShift Technologies Pty Ltd in accordance with the ShapeShell™-RT Panels product manual titled ‘Application and Use of ShapeShell™-RT Panels for Rain Screen Applications’ Revision 11.

**Note:** Use of this product may impact existing and/or proposed fire-based performance solutions. Its appropriateness must be assessed holistically within the context of each specific project.

**Details of any variation of the accreditation:**

Amendment to Certificate details:

- Reaccreditation granted for a period of three years.
- New certificate number issued.
- Conditions updated to reference correct title of product manual and appraisal report.
- Condition 2 removed and replaced with Note.
- Company address updated.

**The name, address and Australian business number of the holder of the accreditation:**

## INTERIM PROHIBITION ORDER

This Interim Prohibition Order is made pursuant to section 90 of the **Health Complaints Act 2016**.

The Health Complaints Commissioner (Commissioner) has made this Interim Prohibition Order because the Commissioner reasonably believes that the general health service provider named below has contravened a code of conduct applying to the general health service being provided and is satisfied that it is necessary to make this order to avoid a serious risk to the health, safety or welfare of the public.

<b>Name of the general health service provider on whom the Interim Prohibition Order is imposed:</b>	Tian Dai operating in the State of Victoria.
<b>Date of this Interim Prohibition Order:</b>	9 April 2026
<b>Date on which this Interim Prohibition Order expires:</b>	An Interim Prohibition Order can remain in force for up to 12 weeks. This Interim Prohibition Order will remain in force until 1 July 2026 while an investigation is conducted unless it is revoked before that date.
<b>Effect of this Interim Prohibition Order:</b>	<ol style="list-style-type: none"> <li>1. The general health service provider named above must not, directly or indirectly: <ol style="list-style-type: none"> <li>a. advertise or cause to be advertised,</li> <li>b. offer or cause to be offered,</li> <li>c. provide or cause to be provided, or</li> <li>d. establish, direct or otherwise operate any business that either advertises, offers or provides (or causes to be advertised, offered or provided) any general health service paid or otherwise, in a clinical or non-clinical capacity.</li> </ol> </li> </ol>

In this Interim Prohibition Order ‘general health service’ and ‘general health service provider’ have the same meaning as in section 3 of the **Health Complaints Act 2016**.

This Interim Prohibition Order takes effect on the service of the order on the general health service provider to whom it applies.

This Order will be published in the Victoria Government Gazette and on the internet site of the Health Complaints Commissioner, [www.hcc.vic.gov.au](http://www.hcc.vic.gov.au)

## NOTICE OF DECISION

## Subdivision (Registrar's Fees) Regulations 2025

I, Sonya Kilkenny, Minister for Planning and Minister responsible for administering the **Subdivision Act 1988**, give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision not to proceed with the making of the proposed Subdivision (Registrar's Fees) Regulations 2025.

A consultation draft of the proposed Regulations and a regulatory impact statement were made available for public comment on the Engage Victoria website between 5 January 2026 and 6 February 2026. The Department of Transport and Planning received 16 submissions during the consultation period.

There was general support for the simplification of the land registry fee structure, a fee structure that provides long-term financial sustainability of the Land Registry as well as the Surveying Task Force and Surveyors Registration Board, and for a review of the fees in five years.

However, concerns were raised about the impacts on individuals and businesses in the context of housing affordability and current cost-of-living pressures, impacts on vulnerable community members experiencing family violence and hardship more broadly, and the impact of the per-parcel component of subdivision lodgement fees on housing delivery.

After consideration of the submissions in accordance with section 11 of the **Subordinate Legislation Act 1994** and in light of the current economic and global climate, I have decided not to proceed with the making of the proposed Regulations at this time. I propose instead to extend the current Regulations until 17 April 2027. This proposed extension will provide sufficient time for the Department to fully appraise the feedback within the current economic and global climate and to undertake required further consultation as needed.

A copy of this notice and a Statement of Reasons summarising the issues raised and the Department's response will be published on the Engage Victoria website at [engage.vic.gov.au/land-registry-update-to-fee-regulations-2025](https://engage.vic.gov.au/land-registry-update-to-fee-regulations-2025)
